4. **DEAS 1231:2025, Coated and synthetic — Men, women and children’s belts — Specification**
5. **DEAS 1232:2025, Leather — Leather for upholstery — Specification**

The Draft East African Standards are now being circulated to stakeholders and the general public for comments on their suitability for implementation.

The Committee would appreciate any comments on these drafts, which should be submitted by **10 March 2025** to the Manager Standards department for the attention of Mr. Charles Ssebalinga (email: charles.ssebalinga@unbs.go.ug, Tel No: +256 783199047).

Comments should be submitted using the attached comments sheet (Form D). Detailed comments may be provided on a separate sheet of paper indicating the number of the clause to which they refer. Suggestions on the revision of text should indicate preferred wording.

It will also be appreciated if those with no specific comments to make but find the Draft East African Standards generally acceptable notify UNBS accordingly.

Looking forward to your continued cooperation.

Yours Faithfully,
