Dear Stakeholder,

RE: Request for comments on Draft East African Standards

The EASC/TC 010 on Food hygiene and safety management and its national mirror technical committee, UNBS/TC 208 on Food labelling and hygiene have developed two Draft East African Standards (DEAS) as indicated below in accordance with the procedures for development of East African Standards:

- DEAS 1253 2025, Guidelines for the design of control measures for street vended foods
- DEAS 1254 2025, Irradiated foods — General standard

The Draft East African standards are now being circulated to stakeholders and the public for comments on their suitability for implementation. Find the draft standards attached.

The Committee would appreciate any comments on the Draft East African standards, which should be submitted before **May 23, 2025** to the Manager Standards Department for the attention of Mr. Edward Kizza, (edward.kizza@unbs.go.ug / 0700315262).

Comments should be submitted using attached Comment sheet. Detailed comments may be provided on a separate sheet of paper identifying the number of clause to which they refer. Suggestions on revision of texts should indicate the preferred wording.

It will also be appreciated if those with no specific comments to make but find the Draft standards suitable notify UNBS accordingly.

Looking forward to your continued cooperation.

Yours faithfully
