Dear Stakeholder,

Request for comments on Draft Uganda Standards

Uganda National Bureau of Standards (UNBS) through the Technical Committee **UNBS/TC 317**, Petroleum refining and transportation materials, equipment and structures is in the process of adopting, as a Uganda Standard the following ISO standard, which is currently a Draft Uganda standard at public review stage.

- **DUS ISO 10439-4:2015**, Petroleum, petrochemical and natural gas industries — Axial and centrifugal compressors and expander-compressors Part 4: Expander-compressors

This Draft Uganda Standard is now being presented to the public to provide comments on its suitability for implementation.

The Committee invites you to send comments on this standard. You may send comments to Paul Kirunda (paul.kirunda@unbs.go.ug 0705587831) by **15 July 2025**.

Please submit comments using the attached comments form. If you have any detailed comments, provide them on a separate sheet of paper and indicate the number of the clause to which they refer.

The Committee will also appreciate if you inform them that you have no specific comments to make and/or you find the proposal acceptable.

Please note that anybody who would like to access a copy of this draft standard may obtain it from the UNBS Documentation, Information and Resource Centre at Standards House Bweyogerere or contact the centre through **Mr. Maurice Musuga** (email: maurice.musuga@unbs.go.ug Tel No: 0701194628)

Looking forward to your response and continued cooperation.

Yours faithfully,

UGANDA NATIONAL BUREAU OF STANDARDS
